TESLA SERIES CTO

The new generation of CTOS, designed by **KeyFibre** to cover market trends.

LA128

CTO Tesla serie with direct lateral access, 16 users. Includes 16 SC APC adaptors. 2 ports and 2 aux outputs extra. 24 fusions. Equipped with 2 splitters 1:8. IP65.

LB118

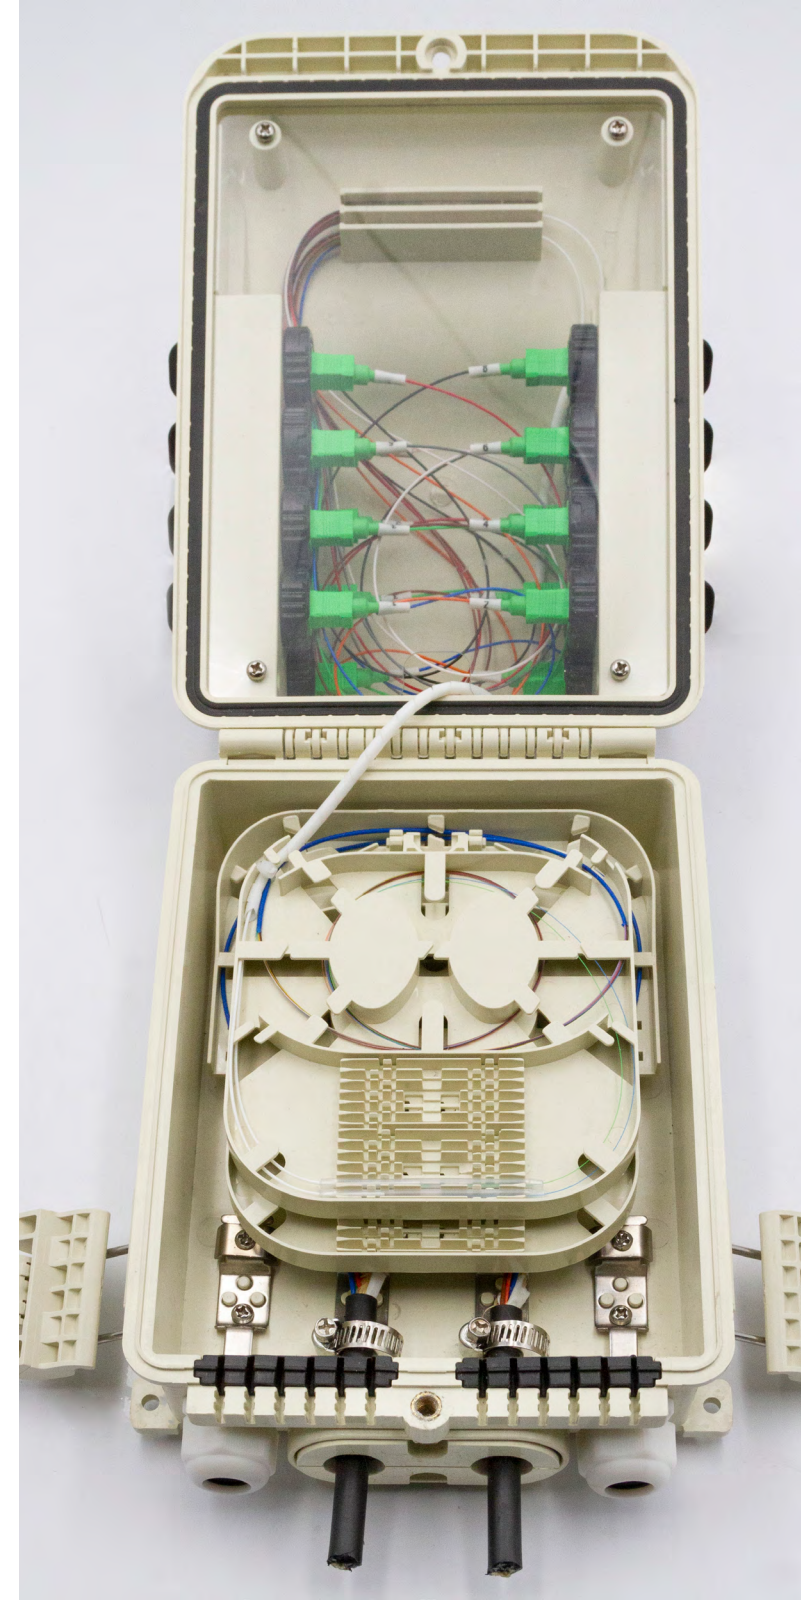

CTO Tesla serie with direct lateral access, 8 users. Includes 8 SC APC adaptors. 2 ports and 2 aux outputs extra, 24 fusions. Equipped with 1 splitter 1:8 IP65.

LC118

CTO Tesla serie with direct access, 16 users. Includes 16 SC APC adaptors. 2 ports and 2 aux outputs extra. 24 fusions. Equipped with 1 splitter 1:8. IP65.

LC128

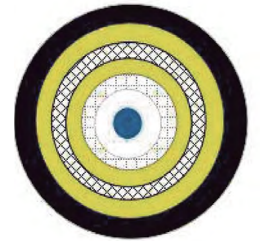

CTO Tesla serie with direct access, 16 users. Includes 16 SC APC adaptors. 2 ports and 2 aux outputs extra. 24 fusions. Equipped with 2 splitters 1:8. IP65.

OKEYFIBRE® EXTENSION PATCH CORD THE KEYFIBRE SOLUTION FOR VARIOUS TYPES OF CONNECTIONS

Corning or Huawei Compatible.
Maximum protection against
rodents and IP68 waterproof.

OKEY102

Patchcord extension cord FTTH OKeyFibre® adapter Huawei / SC APC
3.0mm armored G657A2 LSZH 2m.IP68

OKEY202

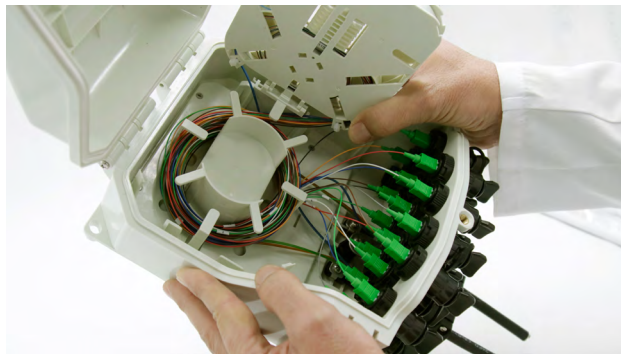

Patchcord extension cord FTTH OKeyFibre® adapter Corning / SC APC
3.0mm armored G657A2 LSZH 2m.IP68

Available in 2 and 5m. For other sizes, please inquire.

SMART SERIES CTO

The crown jewel

Maximum quality in every component.

BSD8

CTO PREMIUM + Smart serie with direct access. 8 subscribers, IP65. Include 8 reinforced adaptors SC APC, 2 segregation ports and the possibility to add 1 or 2 extra aux output. Scalable to 16 suscribers.

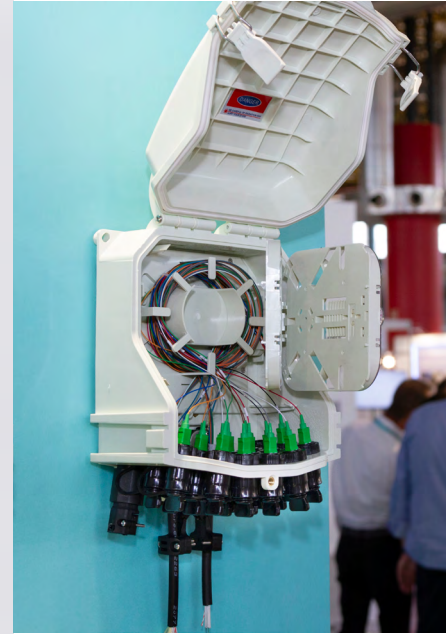

BSD16

CTO PREMIUM+ smart serie with direct access,16 users. Includes 16 SC APC watertight adaptors. 2 ports and possibility to add 1 or 2 aux outputs extra. IP65.

WE CUSTOMIZE THE CTO ACCORDING TO YOUR **NEEDS. HYBRID SOLUTIONS.**

We configure the boxes with **SC APC** connectors, compatible with **Corning** or **Huawei**.

INFINITY SERIE CTO

Discover the latest CTO trend
with **genuine original** plastic, no
recycled plastic!

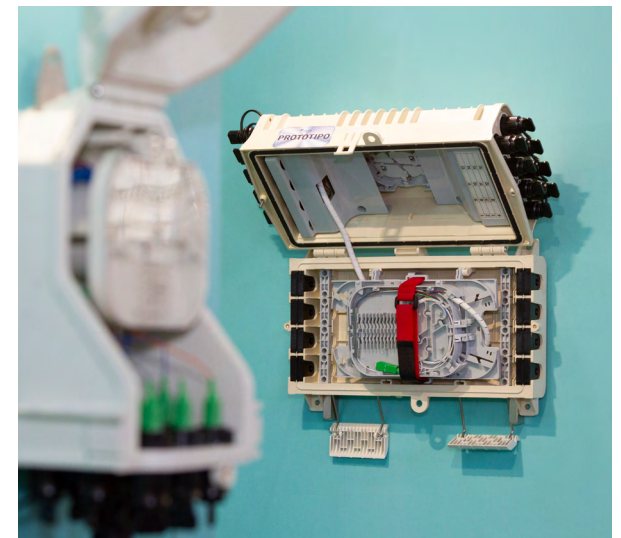

Y118

CTO serie Infinity with direct access, 16 users. Includes 16 SC APC watertight adaptors, 2 ports and 2 aux outputs extra. Equipped with splitter 1:8. IP65

CTO 16 USERS, B-LINE SERIES

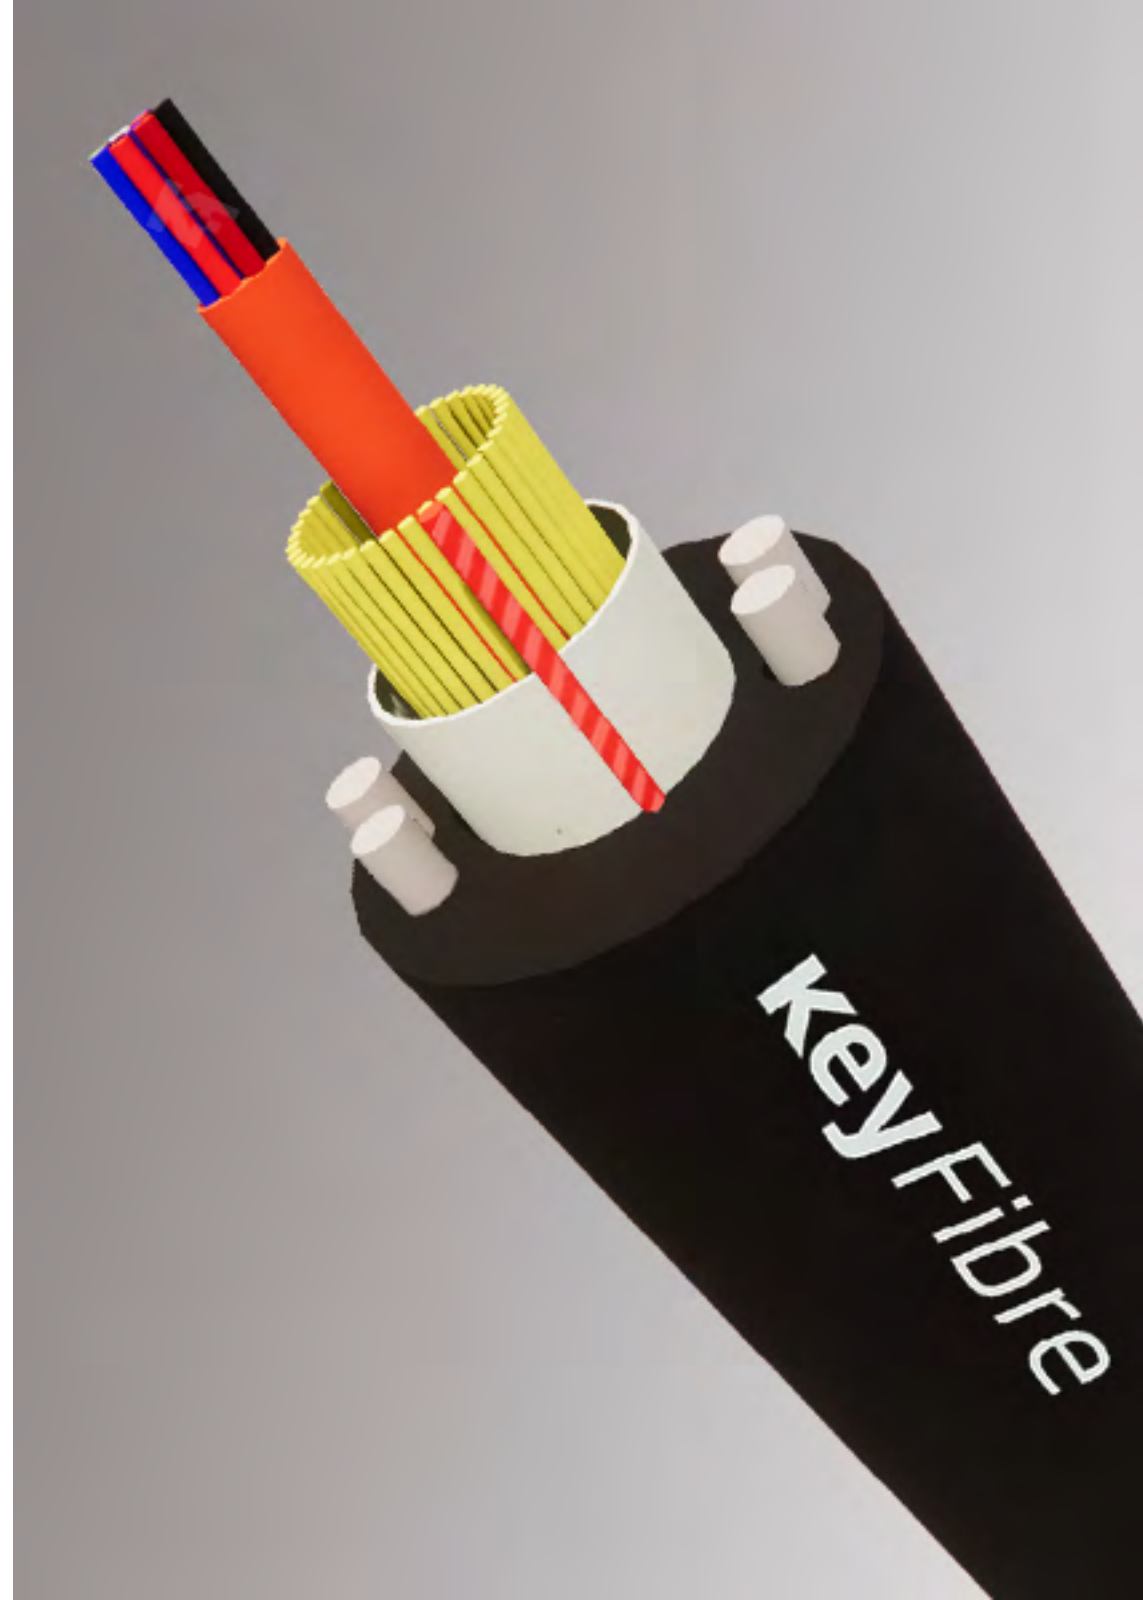

Direct Access CTO
Horizontal Format. Configurable
with SC APC, compatible with
Corning or Huawei.

BL16
Direct Access B-Line CTO Series, 16 subscribers. Includes 16 SC APC
adapters and 8 segregation ports (double). 72 fusions. IP65.

KEYFLEX® OPTICAL CABLES THE 3-IN-1 BY KEYFIBRE NOW UP TO 90M SPAN

High traction and resistance. Flexible tube. **Peelable and scratch** with just a **fingernail**. Ideal for aerial installations, conduit, and facades.

C12M1V12

Micro module cable KeyFlex® 12FO (1Tx12FO) G652D HDPE 6.5mm ADSS 1000N. 90m SPAN. Mutipurpose: duct/aerial/facade. 4000m drum.

C24M6V4

Micro module cable KeyFlex® 24FO (6Tx4FO) G652D HDPE 8mm ADSS 1200N. 90m SPAN. Mutipurpose: duct/aerial/facade. 4000m drum.

C48M4V12

Micro module cable KeyFlex® 48FO (4Tx12FO) G652D HDPE 9mm ADSS 1200N.90m SPAN. Mutipurpose: duct/aerial/facade. 4000m drum.

Cables available in stock for immediate delivery, up to 288 optical fibers.

ANCHORING CLAMP/GRIP FOR OPTICAL FIBER CABLES AND DROPS

COMPACT TYPE, 4000N SPAN 90M

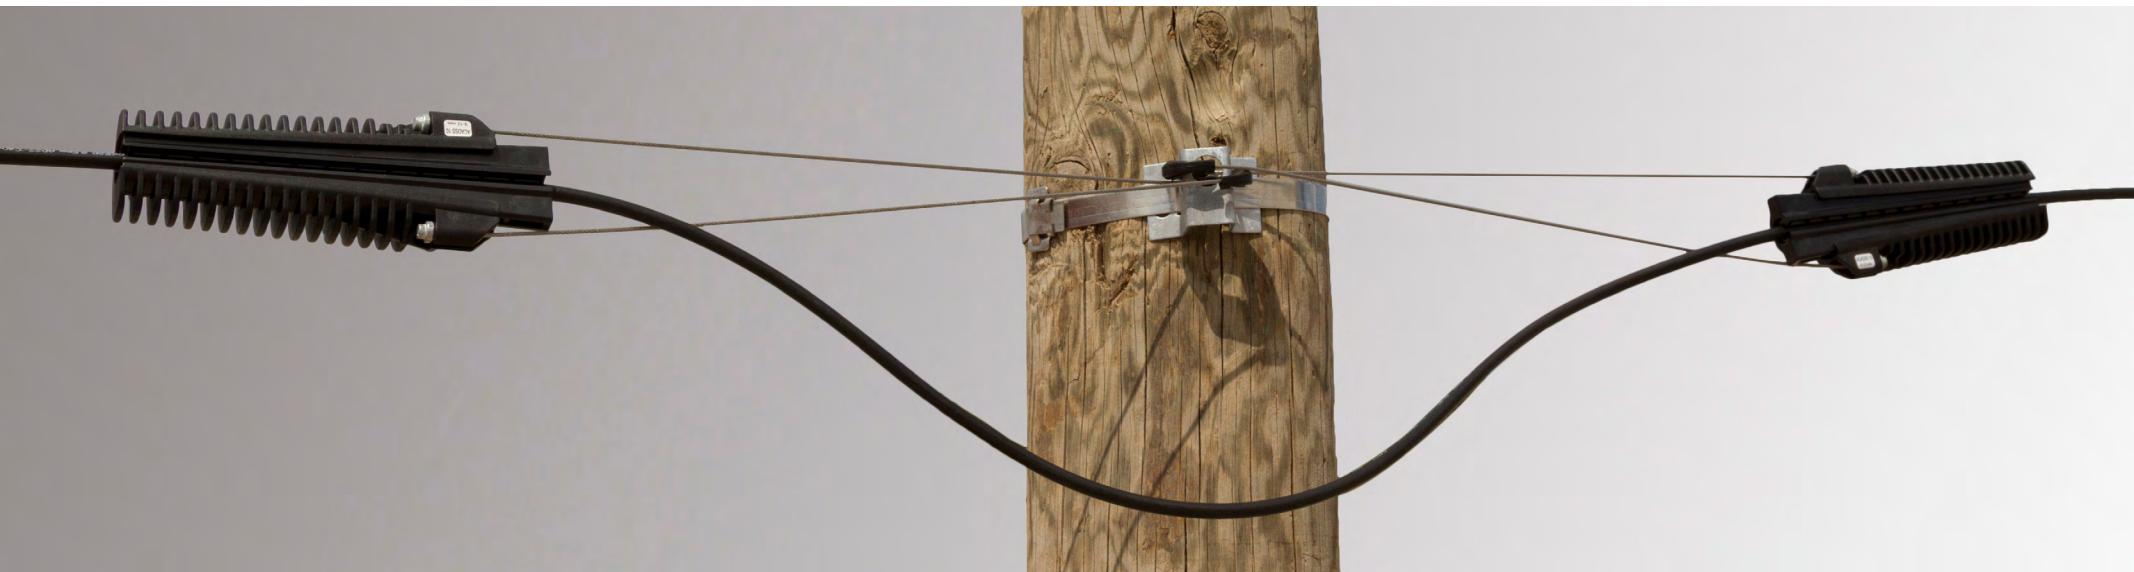

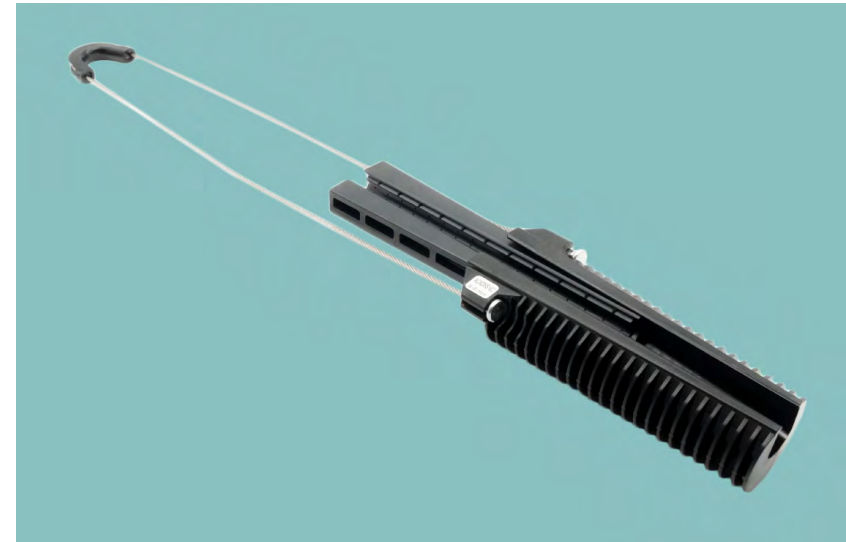

T09110	Fiber optic anchoring clamp. Stainless steel and fiberglass handle.	Ø 6-8 mm.
T1243		Ø 8-10 mm.
T09419		Ø 10-14 mm.

MAX TYPE, 6000N SPAN 90M SUITABLE FOR HEAVY-DUTY CABLES

T0318	Fiber Optic Anchoring Clamp. Stainless Steel and Fiberglass Handle.	Ø 9-12 mm.
T0319		Ø 11-14 mm.
T0321		Ø 15-17 mm.
T0322		Ø 17-19 mm.

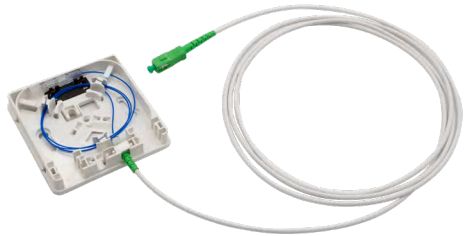

SMALL TYPE, SPAN 70M

T09937	Fiber optic anchoring clamp. Stainless steel and fiberglass handle	Ø 5-6 mm.
T09935		Ø 6-8 mm.

KEYQUICK® REVOLUTION OUTLET

Reduces up to
90% of **incidents** in the
subscriber's home.

CTB82A

Termination Box Revolution Fusion Plus (Kit box equipped with Pigtail Force double Armored Premium SC APC 3.0mm G657.A2 LSZH white 2,5m)

CTB82B

Termination Box Revolution Fusion Plus (Kit box equipped with Pigtail Force double Armored Premium SC UPC 3.0mm G657.A2 LSZH white 2,5m)

CTB83A

Customer Termination Box KeyQuick® Revolution (Kit box equipped with mechanical splice KeyQuick® MS201 and Pigtail Force double Armored Premium SC APC 3.0mm G657.A2 LSZH white 2,5m)

CTB83B

Customer Termination Box KeyQuick® Revolution (Kit box equipped with mechanical splice KeyQuick® MS201 and Pigtail Force double Armored Premium SC UPC 3.0mm G657.A2 LSZH white 2,5m)

FORCE SERIES DROPS THE HIGHEST RODENT PROTECTION

Its **doubly shielded** structure,
coupled with double original
DuPont Kevlar® protection,
makes them unbeatable.

PASA220

Pigtail Force double Armored Premium SC APC 3.0mm G657.A2 LSZH black .
From 20m to 200m

PASA220B

Pigtail Force double Armored Premium SC APC 3.0mm G657.A2 LSZH white.
From 20m to 100m

PCASA220B

Patchcord Force double Armored Premium SC APC - SC APC 3.0mm G657.A2
LSZH white CPR Dca CE 20m. From 20m to 100m

DROPS COMPATIBLE WITH CORNING AND HUAWEI

Dual-layer FTTH Drop Pigtail.
Pre-connectorized. **Compatible**
with **Corning** or **Huawei**.

PG SERIES

Pigtail double jacket Corning compatible outdoor/indoor FTTH 1FO 5.0mm G657.A2
LSZH black Eca CE. From 40m to 400m

PH SERIES

Pigtail double jacket Huawei compatible outdoor/indoor FTTH 1FO 5.0mm G657.A2
LSZH black Eca CE. From 30m to 400m.

INDOOR DROP CABLE

Now **smaller** and **sturdier**, ideal for **cramped spaces**. The outer covering does not degrade or break.

PI030
Indoor flat Pigtail FTTH 1FO SC 1.4x2 mm G657.A2 LSZH white CPR Eca CE.
From 30m to 80m.
